GOVERNMENT OF PALESTINE

PUBLIC NOTICE.

Registration of Analytical Chemists.

Whereas the Department of Health has received applications for registration from Analytical Chemists resident in Palestine,

Notice is hereby given that:

1. A register of qualified analytical chemists is being opened by the Department of Health.

2. Qualified analytical chemists resident in Palestine are invited to apply for registration. Application forms may be obtained from the Department of Health. Persons holding pharmaceutical or medical qualifications alone will not be considered by the Department as eligible for registration as analytical chemists.

3. The Department of Health will not accept as valid analytical evidence or reports unless made by a registered analytical chemist.

G. W. HERON
Director of Health.
